## **Independent Auditors' Report**

To the Board of Directors  
Christ For All Nations  
Orlando, Florida

We have audited the accompanying financial statements of Christ For All Nations (the "Ministry") (a nonprofit organization), which comprise the statement of financial position as of December 31, 2015, and the related statements of activities and cash flows for the year then ended, and the related notes to the financial statements.

### **Management's Responsibility for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

### **Auditors' Responsibility**

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditors consider internal control relevant to the Ministry's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Ministry's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

**Opinion**

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Christ For All Nations as of December 31, 2015, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

**Prior Year Financial Statements**

The financial statements of Christ For All Nations for the year ended December 31, 2014, were audited by other auditors whose report dated June 16, 2015, expressed an unmodified opinion on those statements.

## Notes to Financial Statements December 31, 2015 and 2014

### 1. Summary of Significant Accounting Policies:

#### Nature of Operations

Christ For All Nations (the “Ministry”) conducts evangelistic crusades throughout the world with an emphasis on the continent of Africa and recently North America. The ministries of Reinhard Bonnke and Daniel Kolenda are central to the operations of the Ministry. Books, audio tapes, conferences, television, and a film seeding project are used by the Ministry to supplement the crusades. The operations of the Ministry are supported primarily by contributions.

#### Use of Estimates

In preparing the financial statements, management is required to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results could differ from those estimates.

#### Basis of Presentation

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America. Net assets and revenues, expenses, gains, and losses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, net assets of the Ministry and changes therein are classified and reported as follows:

Unrestricted – Net assets that are not subject to donor-imposed stipulations.

Temporarily Restricted – Net assets subject to donor-imposed stipulations that may or will be met either by actions of the Ministry and/or the passage of time. When a restriction is satisfied or expires, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statements of activities as net assets released from restrictions.

Permanently Restricted – Net assets subject to donor-imposed stipulations that they be maintained permanently by the Ministry. There were no permanently restricted net assets at December 31, 2015 and 2014.

#### Allocation of Supporting Services Expenses

The Ministry’s policy is to allocate that part of the supporting services expenses associated with programs to the individual programs based on each program’s direct program cost to total program costs.

#### Contributions

Contributions, including unconditional promises to give, are recorded as made. All contributions are reported as an increase in unrestricted net assets unless specifically restricted by the donor. All donor-restricted support is reported as an increase in temporarily or permanently restricted net assets depending on the nature of the restriction.

Unconditional promises to give due within one year are recorded at their net realizable value. Unconditional promises to give due after one year are reported at the present value of their net realizable value, using risk-free interest rates applicable to the years in which the promises are to be received. Conditional promises to give are recognized when the conditions on which they depend are substantially met. At December 31, 2015 and 2014, there are no promises to give.

## Notes to Financial Statements – Continued December 31, 2015 and 2014

### 1. Summary of Significant Accounting Policies – Continued:

#### Cash and Cash Equivalents

Cash and cash equivalents include cash, time deposits, money market funds, and all highly liquid debt instruments with a maturity of three months or less when purchased. The Ministry, from time to time, has exposure to credit risk to the extent that its cash and cash equivalents exceed amounts covered by federal deposit insurance.

#### Receivables

Receivables consist primarily of amounts due from affiliates for services provided or products purchased on their behalf and travel advances provided to personnel in advance of ministry events. Receivables are stated at net realizable value. In determining whether or not to record an allowance for doubtful accounts, management makes a judgmental estimate based on the facts and circumstances related to each account. No allowances for doubtful accounts are recognized at December 31, 2015 and 2014.

#### Inventories

Inventories consist of books, audio tapes, video tapes, CDs, and DVDs featuring the ministries of Reinhard Bonnke and Daniel Kolenda, and are stated at the lower of cost or market. Cost is determined using the average cost method. The inventory reserve is \$200,000 and \$160,000 at December 31, 2015 and 2014, respectively.

#### Property and Equipment

Property and equipment is recorded at cost. Depreciation is calculated by the straight-line and accelerated methods over the following estimated useful lives:

Office furniture and equipment	3 – 7 years
Automobiles	5 years
Building	7 – 39 years

Contributed assets are recorded at their estimated fair value at the date of contribution. Such donations are reported as unrestricted support unless the donor has restricted the donated asset to a specific purpose. Costs of new facilities and improvements are capitalized while repairs and maintenance are expensed as incurred.

#### Income Taxes

The Ministry is a nonprofit organization exempt from federal income taxes under Section 501(c)(3) of the Internal Revenue Code. Accordingly, no provision for income taxes is reflected in the accompanying financial statements.

Accounting principles generally accepted in the United States of America prescribe requirements for the recognition of income taxes in financial statements, and the amounts recognized are affected by income tax positions taken by the Ministry. The Ministry's position that it is tax exempt under Section 501(c)(3), and the position that none of its income is unrelated business taxable income, are defined as tax positions under these requirements. While management believes it has complied with the Internal Revenue Code, the sustainability of some income tax positions taken by the Ministry may be uncertain. There are minimum thresholds of likelihood that uncertain tax positions are required to meet before being recognized in the financial statements. Management does not believe that the Ministry has any material uncertain tax positions at December 31, 2015. In addition, there have been no tax related interest or penalties for periods presented in these financial statements.
